

NET'GUARD® Eco

DEGREASER

HYPERACTIVE AND MULTI-USE CLEANER - DEGREASER

- POWERFUL DEGREASER**
- ELIMINATES ALL KIND OF STAINS FROM WASHABLE SURFACES**
- DOES NOT ALTER EVEN FRAGILE MATERIALS**
- FOOD SAFE**

DESCRIPTION

Net'Guard® Eco Degreaser is a multi-use and ready-to-use cleaner designed for cleaning, maintenance and daily service of all washable surfaces (mineral or synthetic materials).

Net'Guard® Eco Degreaser is a powerful cleaner, that allows the removal of all kind of stains and dirt: grease, food stains (oil, sauce, wine, soda...), ink stains, nicotine... and maintains the substrate surface in a clean state.

Net'Guard® Eco Degreaser is quick and easy to use. Surface can simply be wiped with a soft cloth without rinsing. Net'Guard® Eco Degreaser does not leave marks on a surface and dries very quickly.

Net'Guard® Eco Degreaser complies with the French Order of 19/12/13 relating to the cleaning of materials which can be in contact with food. When applied to a surface in contact with food, rinse the surface after application.

USE

Net'Guard® Eco Degreaser is used indoors and outdoors to clean all washable surfaces (marble, granite, smooth or crystallized materials, PVC, painted surfaces, aluminium, zinc, brass, galva, stainless steel, plastic tarpaulin... It is ideal for worktops, walls, floors, stairs, etc.

- VOCs < 1 g/l*

TECHNICAL DATA

Physical state at 20 °C	: Liquid
Colour	: Green
Odour	: Apple
pH	: 11 ± 0.5
Boiling point [°C]	: 100°C
Relative density	: 1.02 ± 0.01
Solubility in water [vol/vol]	: Total
Flashpoint [°C]	: Not applicable

* Calculation based on the components' data.

CONTAINERS

750 ml sprayer.

HOW TO USE

- Use neat, do not dilute.
- Carry out a preliminary test.
- Spray the product to the surface.
- Let act several minutes.
- Wip with a lint free, soft cloth.
- No rinsing required except for surfaces in contact with food.

STORAGE

- Store in a dry place at a temperature of between 5°C and 30°C.
- Shelf-life: 48 months from date of manufacture, in original unopened can.

RECOMMENDATIONS

- For best results it is essential that **Net'Guard® Eco Degreaser** is used when the temperature of the substrates is between 5°C and 30°C.
- Do not apply during rain or in very hot weather. Air temperature between 5°C and 30°C.
- Do not dilute or mix with another product.

HEALTH AND SAFETY

- **Breathing protection:** No breathing protection equipment is required under normal use conditions with suitable ventilation.
- **Hand protection:** Wear household rubber gloves.
- **Skin protection:** No skin protection or special clothing is recommended under normal use conditions.
- **Eye protection:** If there is a significant risk of splashes, wear protective goggles.
